RESIDENT'S TREASURY JAMA KHARCH ACCOUNTS DATES OF DESPATCH ALTERED.

To—The Deputy Commissioners, Treasury Department, Circular No. 1731, *dated* 17*th October* 1889.

In supersession of this Office Circular No. 14, dated 8th April 1886, I have the honor to state that the original Jama Kharch Account of the Resident's Treasury, Bangalore, should take in the transactions from the 1st to 15th of the month and be despatched from the Treasury so as to reach this Office punctually on the 21st of the month. The Supplemental Account will take in all transactions between the 16th and end of the month and should be despatched so as to reach the Huzur Treasury by the 12th of the month following. If holidays should happen to intervene between any of these dates, the Treasuries concerned should not close office without making adequate arrangements for the preparation and submission of the returns on due dates. The Treasury Officer should see that the dates on which the original and supplemental accounts are due, are strictly observed. It is also requested that the Treasury Officer will insist on the Taluk Treasuries submitting their original and Jama Kharch Accounts so as to reach the District Treasury by the 18th of the month the latest and the supplemental Account by the 5th of the month following, so as to enable you to prepare and submit the respective accounts to the Huzur Treasury by the dates fixed above. If owing to gross negligence the accounts of any Taluk should at any time be delayed, the accounts of the remaining Taluks and of the District Treasury should be despatched in time, the account in arrears being incorporated with the account for the following month.

Punctual observance of the dates fixed is very necessary in order that the Huzur Treasury may have sufficient time to submit the consolidated accounts of the whole of the Province to the Resident's Treasury, Bangalore, by the dates fixed, namely, 25th of the month for the original account and the 15th of the month following for the supplemental account. I have further to state that as ample time has been allowed for the preparation and submission of the accounts in question, delays in their receipt in the Huzur Treasury will be reported to the Government.

To—The Deputy Commissioners of Districts, Circular No. 1732, *dated* 22*nd October* 1889.

Has the honor to request that he will be good enough to direct the Amilders in his District to append a statement in the form annexed to the future Muzarayi bills, to be discharged after 1st November 1889, to enable this Office to work out the balance of the close of the official year :—
